Actual Testimonials

"Ran really smoothly, content was engaging and fun. It was a great team building exercise and broke up our virtual day experience well."

Melissa H – Deakin University Student Association

"We were very impressed with the service provided. The facilitator was very helpful and explained the process well."

Nick B. – Flybuys

"The overall feeling was that the experience exceeded expectations, with all attendees having never experienced one before, and overall finding it a great alternative to traditional virtual events."

Chris A – KPMG

"I never realised we could do this virtually, I will be doing this with friends and family."

Katie E – MediBank

"This is the second one we've done with Experios and have found it a fantastic virtual experience to do with colleagues – working together to problem solve and having some fun while doing it!"

Michelle L – REA Group

Online Escape Rooms

5 Escape room options,
4 difficulty levels

in the world

60 Minutes

Great for small & large
teams

Option 1: Time's Ticking Jr (easy)

Completely new to escape rooms and want to try something new? Try Time's Ticking Jr, offering a fun challenge for your whole team.

Perfect for anyone aged 14 and above. In this escape room you need to help detective Delictus locate the bomb, disarm it and catch whoever is behind it. All within 60 minutes.

Option 2: Time's Ticking (moderate)

Detective Delictus is in touch with the squads on the ground and needs your help to tell them what to do. Work closely together as a team to help the detective solve this case.

A fun mix of different challenges for any experience level. Includes hints in case you're stuck.

Does your team have what it takes to disarm a bomb, save the city and successfully "escape" within 60 minutes!?

Option 3: Mayday (moderate)

Our latest escape room, Mayday, requires you to help captain Roger safely land his plane and rescue a stubborn botanist. A cyclone is about to hit the island in the next 60 minutes and the captain needs your help on his adventure to rescue him and get back safely before.

Option 4: Ben's Big Heist (challenging)

Ever wanted to rob a bank? Now's your chance!

Ben needs the help of your team to pull off the heist of a lifetime. He's been working at a small bank for many many years. Until he found a blueprint with some notes written on it...

Now it's time for Ben to get his well-deserved money and look at retirement.

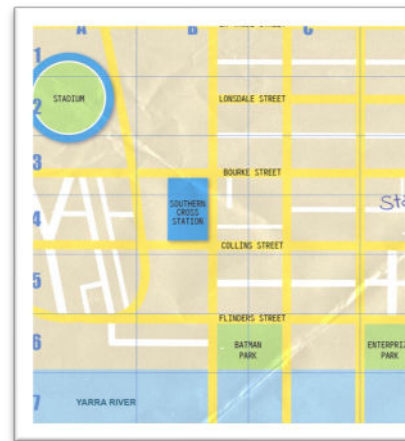

Will your team help him secure the loot?

Option 5: Jack's Hangover (hard)

Ouch, the headache.

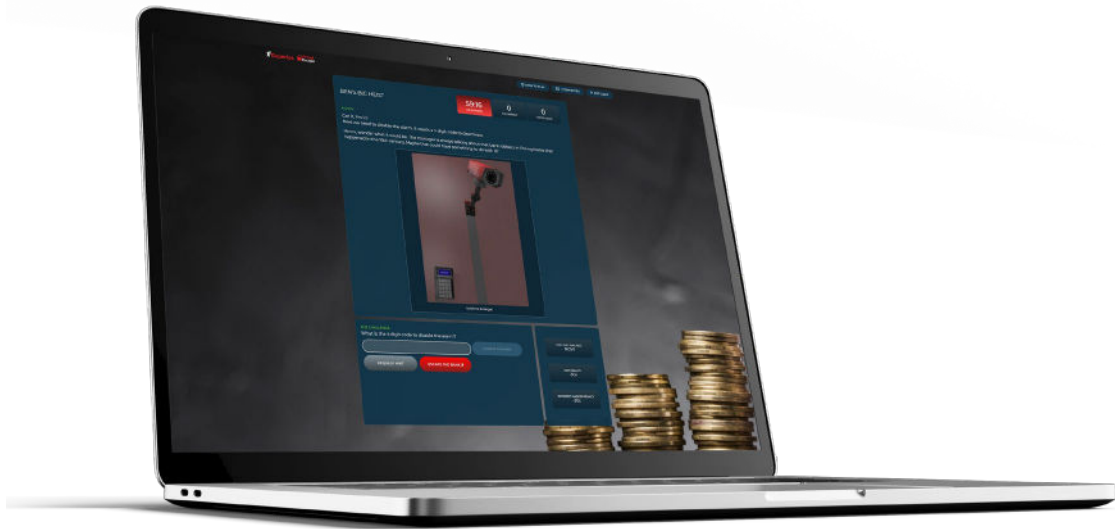

Jack got himself in a bit of trouble and needs your help to get home. He has 60 minutes before his flight departs, but has some unsolved business.

Find out what happened the night before and help Jack solve some interesting challenges. Our most challenging online escape room! Is your team up for it?

Outdoor Escape Melbourne

An outdoor escape game in Melbourne CBD

Learn about the city while solving challenges

2-3 Hours, stop as many times as you'd like

Played in 1 or more teams of up to 5 people

Overview

You've been tasked to investigate the "State Library" case. Work together with your colleagues and follow in the footsteps of a detective.

You'll receive a physical case file with a map to visit locations. Use the evidence and your detective skills to find answers.

In the heart of Melbourne

City Discovery starts at the State Library of Victoria and finishes near Flinders Street Station, following a road full of iconic locations that most locals have never seen.

Challenging and fun

Combining a variety of challenges with a fun experience.

Go through the case documents to find out what happened and look at your surroundings to determine which suspect is hiding something.

Get competitive!

With a built-in leaderboard, now is the moment to show your detective skills.

Use your phone to check your answers, or request a hint if you're stuck.

Step-By-Step

Ready for some outdoor fun? This is how it works:

1. Make teams of up to 5 people and meet at the State Library of Victoria. We can come to the city to provide you with a copy and explain how it works.
2. Open the case file and look at to the instructions. Log in using the unique game code and listen to detective Delictus explaining how the game works.
3. Follow the route on the map to visit the highlighted locations. At each location you'll need to investigate the case documents, and your surroundings, to find answers. Check your answers online to solve this case.

Pricing

All our experiences come with one or more professional hosts.

Corporate benefits

You'll receive the following benefits when booking a corporate session:

- ✓ An Experios host to organise your event
- ✓ Consultation, event preparation, design & support
